This 3D perspective view shows the completed interior layout. The room is divided into several functional areas by white walls. On the left, there is a living area with a grey sofa, a red armchair, and a yellow coffee table. A large window with a white frame is located on the left wall. In the center, there is a dining area with a white table and four grey chairs. To the right, there is a kitchen area with a white countertop, a sink, and a stove. A small white refrigerator is also visible. The floor is covered with light-colored tiles, and the walls are painted white. The overall design is modern and bright.
